Sexual Harassment and Assault
Response & Education

SHARE Annual Report 2017-2018

Every year, the SHARE Center reports the number of contacts received through the telephone, referrals, walk-ins, and electronic communication during the academic year (July through June). By making these reports available, the SHARE Center hopes to encourage all individuals to seek services when they, or someone they know, have experienced sexual misconduct. More information about SHARE's services is available [here](#).
